Le hairstyle

It's no surprise that two French Shanghai hair veterans, Laurent and Anna, head the utterly chic new Le Salon in Surpass Court. Here's just one example of the duo's high coif caliber: while most salons team up with one color brand, Le Salon carries two to ensure clients get the perfect color match. Although seriously talented, Le Salon's team doesn't act too serious. They invite you to kick back with wine and a huge stack of foreign glossies, and laugh a lot, too. Before leaving with gorgeous hair, of course. Haircut RMB225+ color RMB490+

Tip: Purchase a feet mask spa and receive a free pedicure worth RMB180.
